

An aerial photograph of a residential neighborhood featuring a central roundabout. The area is densely packed with houses, many of which have swimming pools. A road network surrounds the roundabout. Several utility-related annotations are overlaid on the image: a red box with white text in the upper left, a blue box with white text on the left, a red box with white text in the center, and a blue box with white text on the right. A red arrow points from the blue box on the left towards the red box in the center. A blue arrow points from the blue box on the right towards the red box in the center. The red box in the center contains the text 'P50' and a small red and blue icon. The blue box on the right contains the text 'A7736 exist.'. The red box in the upper left contains the text 'RST a derivar da rede exlstente em LSVAV 2x16 (5m) p/ allmenção da P50 encastrada em AD.'. The blue box on the left contains the text 'cabo subterrâneo exist.'. The blue box on the right contains the text 'A7736 exist.'. The red box in the center contains the text 'P50' and a small red and blue icon. A red arrow points from the blue box on the left towards the red box in the center. A blue arrow points from the blue box on the right towards the red box in the center.

RST a derivar da rede exlstente em LSVAV 2x16 (5m) p/ allmenção da P50 encastrada em AD.

cabo subterrâneo exist.

P50

A7736 exist.
